

Firing Services Guidelines

- No need to make an appointment! You can drop off your items to be fired any time during business hours. Please bring your items in bone dry, loosely packed in a box and ready to go in the kiln.
- Payment is due at drop off. Stilting is \$1/per piece. Stilts are NOT PROVIDED, please bring your own or purchase.
- Firing may take up to two weeks or more during busy times. All items must be contained so we can move the work through our system.
- No single firings. Your items will be loaded directly into the kiln from your container and back into your container from the kiln. Once the work is fired, we will call you for pickup.
- Please pick up work as soon as possible, as space is limited.

ClayPeople WILL NOT ACCEPT OR FIRE:

- Flammable or melt-able materials inside clay (e.g. paper clay, metal, decals)
- Glazed greenware
- Pieces that may explode during firing (e.g. hollow forms with no air hole, wet greenware)
- Pieces that are not bone dry
- Pieces more than 1" thick
- Individual pieces weighing more than 40lbs.
- Pieces that contain questionable materials (e.g. unknown clay or glaze maturing temperature)
